EDUCATION

Degree/Certificate	Institute/Board	CGPA/Percentage	Year
Bachelor of Technology	Indian Institute of Information Technology, Sricity	9.3/10	2022-Present
Senior Secondary	Narayana Junior college, Hyderabad	98.9%	2022
Secondary	Narayana English Medium School, Dharamavaram	100%	2020

PROJECTS

- **Coding Platform** Aug. 2024
IIIT Sricity Github Repo
 - Developed a coding platform with features including Coding Playground, Arena, and test case management.
 - Implemented admin approval and decline functionalities for contributed cases
 - Utilized Material UI and Monaco Code Editor for the frontend
 - Used Node Docker for compiling and running code.
- **TuteeTutor - Classroom Management System** Dec. 2023 - Jan. 2024
IIIT Sricity Github Repo
 - Developed a group project on classroom Management system featuring:
 - Class schedule management
 - Attendance tracking
 - Seamless teacher-student communication
 - Developed an intuitive role-based access control dashboard, enabling real-time tracking of user activities and access permissions
 - Ensured security and scalability
 - Learned using dynamic routes in express while working on the project.
- **Tic-Tac-Toe - Alpha-Beta pruning algorithm** Feb. 2024 - Mar. 2024
IIIT Sricity Github Repo
 - Developed a game with an AI opponent powered by Alpha-Beta pruning algorithm.
 - Optimised AI decision-making for faster and challenging gameplay.

SKILLS

- **Programming Languages:** C, Java, Python, JavaScript
- **Frontend:** HTML, CSS, Reactjs
- **Backend:** Nodejs, Expressjs
- **Database:** MongoDB, MySQL, PostgreSQL
- **Dev Tools:** Git, GitHub, Docker

CODING PROFILE

- Leetcode

COURSEWORK

- Data Structures and Algorithms
- Object Oriented Programming
- Database Management Systems
- Operating Systems
- Computer Architecture
- Computer and Communication Networks

POSITIONS OF RESPONSIBILITY

- **Student Development Council Member**, IIIT Sricity 2023-24
- **Core Member, Google Developer Student Club**, IIIT Sricity 2023-24

ACHIEVEMENTS

- **Second Runners up**, Tally CodeBrewers Hackathon, Bangalore Aug 2024
- **10108 Rank**, in one of the toughest exams of the world, IIT-JEE 2022
